MEMORANDUM FOR: Chief, Information Requirements Staff

SUBJECT : Letter of Appreciation

25X1 1. I would like to express my appreciation for [] cooperation in supporting a Center request for the acquisition of ground photography of a microwave tower in Lenin-grad, USSR.

25X1 2. This photography was most useful in confirming intelligence information from other sources. His instructions to the field were carried out to the letter reflecting a high degree of professionalism by both [] and the attaches. This kind of effort enables us to exploit more fully the total resources available to the intelligence community.
